Security

Deputy Barney Fife was very much concerned about The Mayberry Security Bank. His concern? There was no security! The vault was open, cash was piled up all over the place, and the guard was sleeping. And they had no "official countermeasures in the event of a 10-12!" Our money might have been a little less than safe at The Mayberry Security Bank, but one thing is for sure: our salvation is safe and secure-- and it's because of who is guarding it! In today's message, we'll see what has to say to Timothy about the security of the believer.

Welcome! We are so delighted that you have chosen to worship with the First Baptist Church family today. If you are visiting, you are our special guest. Thanks so much for coming. Our prayer is that you will encounter, and experience God in worship. We unashamedly proclaim God's Son, Jesus Christ as Savior, and our desire is that you come into a faith relationship with God through Him.

Please complete the guest registration, and place it in the offering plate. Be sure to indicate if you would like more information about First Baptist. Again, thanks so much for coming.
