A Message from our DOM, Wendell Ray

Greetings EBAC Family,

Titus 3:14 (NIV) Our people must learn to devote themselves to doing what is good, in order that they may provide for daily necessities and not live unproductive lives.

Monday morning I went to the grocery store. My hope was that I could find some hamburger marked down. I was not disappointed. Ground chuck, ground round, and minute steaks all discounted. I was excited.

When at the checkout I asked cashier if there was anything I could pray for her about. Family? Health? Work? "All of it" was her reply. I remembered asking this lady before, maybe once or twice, about praying for her.

Then I began to talk about my good deals. While she was ringing up my groceries, I shared with her about the Monday morning thing and how I had hoped to save some money.

She said, "Yes and also the end of the month is a good time to find meat cheaper." I said, "Really? Why?" "The meat has to be put out but people run out of money at the end of the month so they have to mark a lot of it down" she said. "Thank you for telling me that," I said.

What she said next surprised me. "No problem. You've been good to me." What? I've been good to her? I've only seen her a few times.

The Bible says much about doing good. Maybe it's not as complicated as we think. Maybe it's as simple as communicating with someone, you don't really even know, that you would like to pray for them... take their needs to a good Father who does what is good and sometimes does His good through us.
